Folsom Prison Blues

G

I hear the train a comin' It's rolling round the bend

G7

And I ain't seen the sunshine since I don't know when,

C

G

I'm stuck in Folsom prison, and time keeps draggin' on

D7

G

But that train keeps a rollin' on down to San Antone.

G

When I was just a baby my mama told me. Son,

G7

Always be a good boy, don't ever play with guns.

C

G

But I shot a man in Reno just to watch him die

D7

G

When I hear that whistle blowing, I hang my head and cry.

(Kazoo Verse)

G

I bet there's rich folks eating in a fancy dining car

G7

They're probably drinkin' coffee and smoking big cigars.

C

G

But I know I had it coming, I know I can't be free

D7

G

But those people keep a movin' And that's what tortures me.

G

Well if they freed me from this prison, If that railroad train was mine

G7

I bet I'd move on over a little farther down the line

C

G

Far from Folsom prison, that's where I want to stay

D7

G

And I'd let that lonesome whistle blow my blues away.

Wild Rover

G **C**
I've been a wild rover for many a year
G **D** **G**
And I've spent all me money on whiskey and beer,
C
But now I'm returning with gold in great store
G **D** **G**
And I swear that I'll play the wild rover no more.

Chorus

D **D7**
And it's no, nay, never, (clap, clap, clap)
G **C**
No nay never no more,
G **C**
Will I play the wild rover
G **D** **G**
No never no more.

G **C**
I went to an alehouse I used to fre-quent
G **D** **G**
And I told the landlady me money was spent.
C
I asked her for credit, she answered me nay
G **D** **G**
For custom like yours I could get any day. **(Chorus)**

G **C**
I brought from me pocket ten sovereigns bright
G **D** **G**
And the landlady's eyes opened wide with delight.
C
She said I have whiskies and wines of the best
G **D** **G**
And the words that I spoke, they were only in jest. **(Chorus)**

G **C**
I'll go home to me parents, confess what I've done
G **D** **G**
And ask them to pardon their prodigal son.
C
And when they caress me as oft times before
G **D** **G**
I swear I will play the wild rover no more. **(Chorus)**

Hallelujah

C Am C Am
Now I've heard there was a secret chord That David played, and it pleased the Lord
Your faith was strong but you needed proof You saw her bathing on the roof
Baby I have been here before I've seen this room, I've walked this floor
Maybe there's a God above But all I've ever learned from love

F G C G C F G
But you don't really care for music do you? It goes like this The fourth, the fifth
Her beauty in the moonlight overthrew you. She tied you to a kitchen chair
I used to live alone before I knew you. I've seen your flag on the marble arch
Was how to shoot somebody who outdrew you It's not a cry that you hear at night

Am F G E7 Am
The minor fall, the major lift The baffled king composing Hallelujah
She broke your throne, and she cut your hair And from your lips she drew the Hallelujah
Love is not a victory march It's a cold and it's a broken Hallelujah
It's not somebody who's seen the light It's a cold and it's a broken Hallelujah

Chorus:
