The Dock of the Bay

G *B* *C* *A*
Sittin' in the mornin' sun, I'll be sittin' when the evenin' come
G *B* *C* *A*
Watching the ships roll in, and then I watch 'em roll away again

G *A* *G* *E7*
I'm sittin' on the dock of the bay, watching the tide roll away
G *A* *G* *E7*
I'm just sittin' on the dock of the bay wastin' time

G *B* *C* *A*
I left my home in Georgia, headed for the 'Frisco bay
G *B* *C* *A*
'Cause I've had nothing to live for, and looks like nothin's gonna come my way

G *A* *G* *E7*
So I'm just gonna sit on the dock of the bay, watching the tide roll away
G *A* *G* *E7*
I'm just sittin' on the dock of the bay wastin' time

G *D* *C* *G* *D* *C*
Look like nothing's gonna change, everything still remains the same
G *D* *C* *F* *D*
I can't do what ten people tell me to do, so I guess I'll remain the same

G *B* *C* *A*
Sittin' here resting my bones, and this loneliness won't leave me alone
G *B* *C* *A*
It's two thousand miles I roamed just to make this dock my home

G *A* *G* *E7*
Now I'm just gonna sit on the dock of the bay, watching the tide roll away
G *A* *G* *E7*
I'm just sittin' on the dock of the bay wastin' time

Lava

[Intro]: C G7 F C G7 C (carry out C to the verse)

G7

A long, long time ago there was a volcano
F C G7
living all alone in the middle of the sea
C G7
He sat high above his bay watching all the couples play
F C G7
And wishing that he had someone, too.
C G7
And from his lava came this song of hope that he sang
F C G7
out loud everyday for years and years.

CHORUS

F C
I have a dream I hope will come true
G7 C
That you're here with me and I'm here with you
F C
I wish that the earth, sea, the sky up above-a
F G7 C
will send me someone to la-va.

C G7
Years of singing all alone turned his lava into stone
F C G7
until he was on the brink of ex-tinc-tion
C G7
But little did he know that living in the sea below
F C G7
a-nother volcano was listening to his song.
C G7
Everyday she heard his tune her lava grew and grew
F C G7
Be-cause she believed his song was meant for her

C G7
Now she was so ready to meet him above the sea
F C G7
As he sang his song of hope for the last time.

Chorus

C G7
Rising from the sea below stood a lovely volcano
F C G7
Looking all around but she could not see him
C G7
He tried to sing to let her know that she was not there alone
F C G7
But with no lava, his song was all gone
C G7
He filled the sea with his tears and watched his dreams disappear
F C G7
As she remembered what his song meant to her.

Chorus

C G7
Oh they were so happy to finally meet above the sea
F C G7
All together now their lava grew and grew
C G7
No longer are they all alone, with a-lo-ha as their new home
F C G7
And when you visit them this is what they sing.
F C
I have a dream I hope will come true
G7 C
That you'll grow old with me and I'll grow old with you
F C
We thank the earth, sea, the sky, we thank too.

F G7 C
I la-va you
F G7 C
I la-va you
F G7 C
I la-va you
